DIRECTIONS TO SEVEN CIRCLES FROM NORTHERN CALIFORNIA

Take Hwy 99 south to Fresno

At Fresno, follow signs for Hwy 180 East – “Kings Canyon Highway” (there is a right hand turn off the freeway for Hwy 180 East)

Take Hwy 180 East – it will end at Clovis Road (NOT “Clovis” but the exit following Peach Ave.)

Take the Clovis Road exit #63 and turn right

Get gas in Fresno – there is no gas up at Badger. There are gas stations on Clovis Ave. and after you turn on Hwy 180 East

Get in the left-hand lane and watch for the sign for Hwy 180 East

Turn left on King’s Canyon Hwy (Hwy 180 East) – there will be a Walgreen’s on the right side of the road and an Orchard Supply Hardware on the left side. There is a Von’s market after you turn if you need anything.

On Hwy 180 after you pass the town of Minkler there will be a sign showing 180 turning left to “Squaw Valley”

Turn left – there is a fruit stand on the corner across the street

Watch for the sign saying “Pinehurst 5 mi” and turn right on Hwy 245

In Pinehurst, there is the Pinehurst Lodge – a restaurant and small store.

Take 245, going past the Tulare County sign, and the Badger Creek Fire Station. Soon after the sign for the town of BADGER Seven Circles Retreat Center will be on your left.

The Manager is Rifka Several at 559-337-0211 - but note that cell phones don't work past Squaw Valley.
