DIRECTIONS TO SEVEN CIRCLES FROM SOUTHERN CALIFORNIA

Take Hwy 99 north

Turn off at Hwy 198 EAST towards Visalia

Take Hwy 198 past the town of "Lemon Cove" and watch for Road 216 - turn LEFT there: there will be a "Prince Mart" gas station on the left-hand corner. This will be your LAST GAS station so if you didn't fill up before hand, do fill your tank here. There is also a little store and deli at Prince Mart.

Less than a mile down Road 216, right across the Kaweah River, will be a right turn for "Badger - 19 miles" at Dry Creek Drive. Take this road – drive slowly as it is often one lane wide.

At the end of Dry Creek Drive is a stop sign at Hwy 245 - veer toward the right, almost going straight (do NOT turn left). Across this intersection is the Mountain House Café – the closest restaurant to Seven Circles.

Continue on Hwy 245 – just past the intersection for Eshom Valley Road you will see Seven Circles Retreat on your right.

The Manager is Rifka Several at 559-337-0211 but note that cell phones don't work on Hwy 245.
